### Prayer

*Resurrection God, in the garden we find your comforting presence, and in the empty tomb a hopeful reminder to not seek the living among the dead. As we feel the reality of suffering, pain, death, and grief in our world, and in our lives, let us look not to the dead things around us, but to the new life that comes through our hope in you. Help us to carry that love and hope into a world that is waiting and desperate for the life that only you can provide. Amen.*
